Plaint of Tobaccoists.

Ogden, April 25.—At the regular weekly meeting of the board of education held last night an estimate of the amount of money necessary to run the schools next year was submitted by the finance committee. It will take \$153,600 for all purposes. Of this amount \$100,800 will come from the city taxes and \$52,800 will be received from the state school fund.

The treasurer reported having \$21,500.89 cash on hand in the treasury. A number of routine reports from other officers were received and filed.

Prof. David E. Cloyd, principal of the high school, made application for the use of the high school to conduct a summer school. He stated that there were many pupils who had additional work to make up during the summer before they could enter certain classes in the fall, and that these pupils were desirous of attending summer school. The request was referred to the committee on public buildings and grounds.

DYNAMITE PLOT.
Futile Attempt to Blow Up Police Patrol.

Ogden, April 25.—A plot to dynamite the police patrol wagon was discovered by Driver Walter Williams at the livery stable yesterday, and if the explosive had been a little more carefully placed it would have done its deadly work.

All circumstances connected with the case point to the conclusion that it was the work of some enemy of the police who probably had an undesired ride in the big red wagon. Three sticks

COWARDLY ASSAULT.

Rudolph Kuchler "Victim of Drunken Railroaders' Rage."

Ogden, April 25.—Receiver Rudolph Kuchler of Ogden canyon was the victim of a cowardly assault at the hands of L. A. Graves, who says that he is a railroad man and who was calling on him to make a rough house at the canyon resort.

From the information received here last evening it appears that Graves went to the salaried saloon, drank, and proceeded to try and run things to suit himself. Kuchler remonstrated with him when the burly railroad worker became abusive, and while Kuchler was at the telephone calling for an officer, Graves struck him on the back of the head, inflicting an ugly wound, which required several stitches to close.

Within a few minutes after the incident happened Deputy Sheriff Naylin appeared on the scene and the "bad man" became as docile as a lamb and was soon on his way to county jail. Late last evening City Atty. Davine drew up a complaint charging Graves with assault and the case will come before Judge Murphy in the municipal court at an early date.

CHILDISH PLAIN.

Tobaccoists Would Amend Law Respecting Sales to Minors.

Ogden, April 25.—E. A. Munsey, the cigar merchant who was found guilty by Judge Murphy in the police court yesterday morning of selling tobacco to minors, and who was fined \$50 by Judge Murphy, did not spend last night in the city jail as he said he would do before he would pay the city any of the fine. All the cigar merchants are very indignant over the case, and are going to appear before the council to have some additional chapters added to the ordinance. The tobacco merchants allege that they have no "come back" at the boys who falsely tell their age in order to secure tobacco. It is very probable that the mayor, clerk of the city and members of the council will investigate the question of selling tobacco to minors, and will make some recommendations to the council.
